

## WELCOME TO STARCROSS

Starcross is a small, independent multi-faith monastic community, located in beautiful northwestern Sonoma County. We are progressive and liberal, not affiliated with any denomination. We have friends on all spiritual paths and none. We are in Annapolis, CA just 7 miles from the Pacific Ocean. Starcross is a non-profit corporation.

Starcross is an organic farm, certified by CCOF. In our barn we produce award-winning Sister Julie's Organic Extra Virgin Olive Oil from the fruit of our 1,800 Italian olive trees. We also raise fruits and vegetables and provide fresh produce for our Food Pantry, helping neighbors in need.

The Starcross Honor Produce Stand along the county road is open all day, every day stocked with olive oil and whatever seasonal produce and home canned items are available. Our back 50 acres are a "Forever Wild" forest. The whole 90 acre property is permanently protected by a Conservation Easement with Sonoma Land Trust.

Every Friday from 1 - 4 pm we host "Open Hours" and invite the public to explore Starcross with a self-guided tour brochure.
